# Business standards

It is worth mentioning that the installations in general have recently been expanded and refurbished using special materials that ensure absolute water tightness and thermal insulation, thus maintaining the storage conditions, while it is common ascertainment that **GRECO STROM** has now surpassed the intercultural and European level in the most demanding business standards.

# Building facilities

# Certifications

ALL YOU NEED TO KNOW!

GRECO STROM is particularly proud that all certifications have been received by the Oeko - Tex, International Certification Institutions Bureau Veritas, LRQA Business Assurance & Swiss Approval International. These are institutions that check with frequent inspections the proper implementation, maintenance and continuous upgrading of the quality systems.

# GRECO STROM

## DESIGN, PRODUCTION, QUALITY CONTROL AND DISTRIBUTION OF THE COMPANY'S PRODUCTS HAVE BEEN CERTIFIED ACCORDING TO:

### STANDARD 100 BY OEKO-TEX®

GRECO STROM BABY AND KID'S MATTRESSES have the international certification Oeko-Tex® Standard 100 Class I as they have emerged as products of trust - tested for harmful substances. The Oeko-Tex® Standard 100 certification concerns the absence of harmful materials and substances from the mattresses and from all the materials used for their production. The Oeko-Tex® Standard 100 is a unit system of laboratory tests and certification for textiles in raw, intermediate and final form, from all production stages and is recognized worldwide. The tests are performed by independent collaborating institutes based on the extensive OEKO-TEX® criteria. The tests take into account numerous prohibited and non-prohibited substances, which may be harmful to health. In many cases the limits of the STANDARD 100 are stricter than national and international requirements.

### SWISS APPROVAL INTERNATIONAL

THE GRECO STROM MATTRESSES have been tested and certified by the Swiss Approval International, as compliance with applicable European directives and regulations. The products comply with the requirements of the European Standard: EN 16890:2017. Children's furniture - Mattresses for cots and cribs - Safety requirements and test methods.

THE MATTRESSES OF THE BODYTOPIA AND THE HYPNATURA SERIES AS WELL AS OUR HOTEL MATTRESSES have been tested for durability and have been certified by the Swiss institution with the safety certification and quality of Swiss Approval products International in compliance with existing European directives and regulations and comply with the requirements of the European standard: EN 1957: 2012 & EN 1334: 1999.

### ISO 9001 INTERNATIONAL QUALITY MANAGEMENT SYSTEM

ISO 9001 is an internationally recognized standard for quality assurance and quality management for businesses.

### ISO 14001 INTERNATIONAL ENVIRONMENTAL MANAGEMENT SYSTEM

ISO 14001 is an internationally recognized standard for environmental management by businesses. It provides guidelines and required checkpoints that must be applied to any activities having an impact on the environment.

### ISO 13485 INTERNATIONAL QUALITY ASSURANCE SYSTEM FOR MEDICAL DEVICES

THE ISO 13485 standard establishes the requirements of the quality assurance system for companies involved in designing, producing, trading, installing and providing technical support for medical devices and products.

### MARINE MATTRESSES APPROVAL

BY MIRTEC SA (MATERIALS INDUSTRIAL RESEARCH & TECHNOLOGY CENTER)

UPGRADING QUALITY PRODUCTS that are required to meet specifications and are suitable to equip ships, yachts, hotels and general spaces and it is considered necessary to use mattresses with particular fire resistance, therefore GRECO STROM designs and produces a new series of mattresses that meet the requirements as outlined in Directive 2014/90 EU and Regulation (EU) 2020/1170 for MED / 3.21 bedding product group.

- SOLAS 74 Reg. II-2/3, Reg. II-2/9 & Reg. X / 3 &
- IMO Res. MSC. 307 (88) - (2010 FTP Code) Annex I, Part 9
